

16th Annual SCLAA Peter Smith Memorial Golf Day Friday 30 October 2015, from 9am

Registrations close on 27 October 2015

THE GOLF

We will be starting earlier this year with Registrations from 9am, Morning Tea from 10am and tee off at 11am.

The event will be an Ambrose competition with the handicaps being determined by how each team of 4 performs on 6 secret holes (the location of which is known only by Vines golf staff). This acts as a great leveller for those who play the once or twice a year.

As everyone who has participated before knows it is an event not to be missed.

This day out of the office is a great opportunity to:

- Reward your employees
- Entertain your key clients
- Have a great day of golf

This year's post match function will be a cocktail menu served in the resort pool area as we aim to get the auction, raffle and awards completed promptly. We understand the people will travel a long way to the venue and we are hoping that the earlier times will be more accommodating.

We have a limit of 120 for golf. **First in best dressed.**

THE CHARITY

The event is also used as a fund raising event for the charity CanTeen, a national support organisation for 12 - 24 year olds who are living with cancer, and is the only organisation of its kind in Australia, It is a non government funded charity dependent on the support of volunteer organisations to raise funds.

The annual golf day coincides with CanTeen's national fundraising event – National Bandana Day. We will be holding raffles and collected donations from players at the golf day.

THE AUCTION

Each year we have a large range of auction items, eftpos and credit card facilities are available so prepared to spend up for the kids.

This year will mainly be a silent auction, we will have a list of items available on the day.

Remembering most importantly Peter Smith and to help the kids and their families who are struggling to come to terms with Cancer in their lives.

We have raised over \$70,000 for CanTeen with the charity auctions and raffles over the past few years, let's keep it going.

THE ENTERTAINMENT

Ari Over the past 15 years, he has been establishing himself more and more in the Perth music scene as one of the most polished solo artists.

Mike G Having toured extensively in Australia and abroad, American stand-up comedian Mike Goldstein has established himself as a unique and refreshing young talent on the international comedy circuit.
