

How to get a Fast Start in 2016

... A workshop with a difference

Don't miss this opportunity to invest 3 hours of your time towards your personal and professional development and kick off 2016 with a clear focus and direction.

Explore:

- The power of goal setting, the Goals Cycle, and the positive and negative effects of feelings, actions, and attitudes
- The Total Person® Concept, to achieve success in all areas of your life
- Learn from your wins and disappointments
- Planning for success in 2016
- Discuss key productivity concepts to help you achieve more next year

Join us and hit the ground running in 2016.
